Instructions

1. Set the oven for preheating at 400°F (200°C).
2. Transfer the chicken legs to a large bowl. Add garlic powder, Italian seasoning, salt, & olive oil. Give it a toss.
3. Take a baking sheet and place the chicken legs (skin side up) on it.
4. Transfer the baking sheet into the preheated oven. Bake for 40-45 minutes. (The chicken is perfectly cooked through when its internal temperature reads 165°F or when its juices run clear)
5. While the chicken bakes, prepare the broccoli & garlic butter
 - Snap off the broccoli florets & slice the stem. Then, cook them for 5 minutes in a pot of boiling salted water. Drain the liquid and cover the pot to keep the boiled broccoli warm.
 - To prepare the garlic butter, mix the unsalted softened butter with crushed garlic cloves, fresh chopped parsley, salt & pepper. Set aside.
6. Serve the baked chicken legs with the boiled broccoli & garlic butter.
